

OVOC 2025-2026 Season Packet for Members

We are thrilled to welcome you to the OVOC family, where the power of music, theater, and community come together to create something truly special. OVOC is a vibrant organization that offers a diverse range of opportunities for members of all ages and skill levels to engage in the performing arts.

OVOC's Performing Groups

For over four decades, OVOC Performing Arts has been the heart of music and theater in the Okanogan Valley. As other arts programs fade, we remain a beacon for creativity and community connection. Sponsoring OVOC Performing Arts means investing in the cultural fabric of our valley, supporting music, theater, and intergenerational collaborations that unite us all.

Our OK Band exemplifies this spirit, performing alongside local high school pep bands and inviting community members of all ages to join in. This community-driven approach strengthens bonds across generations, and your support helps us continue these unique experiences.

From the OK Band to Brassworks, our music groups bring energy to every event, keeping the arts alive. Our annual Variety Show and Spring Musical gather the community together, and this season, we're expanding our reach by partnering with local visual artists to showcase their work at our concerts, ensuring that creativity thrives across multiple forms.

We are also excited to be repairing our building after a roof collapse, with sponsorship funds helping us move closer to securing a permanent home for OVOC Performing Arts. This will allow us to better serve the community in the years ahead.

By supporting OVOC Performing Arts, you are helping keep the arts alive in our valley. Together, we can ensure that music, theater, and creative expression remain a thriving part of our community for generations to come in all its forms. From musicians and dancers to comedians and magicians, the Variety Show is a celebration of creativity and courage. This event encourages performers of all levels to step into the spotlight, offering a supportive space to share their talents with the community.

Annual Productions

The Variety Show

One of the highlights of our year at OVOC is the annual Variety Show, a celebration of talent, creativity, and community. This event is your chance to shine, whether you're a musician, dancer, comedian, magician, poet or have any other unique talent to share. The Variety Show is all about showcasing the diverse talents of our members in a fun and supportive environment.

We encourage all our members to start thinking about what act you'd like to perform. Whether you're a solo performer, part of a group, or even want to try something completely new, the Variety Show is the perfect opportunity to step into the spotlight.

How to Get Involved

- **Perform an Act:** Bring your talent to the stage! Think about what you're passionate about or what skill you'd love to share with the community. There's no act too big or too small—whether it's singing, dancing, playing an instrument, or something entirely unique, we'd love to see it.
- **Collaborate with Others:** If you're interested in teaming up with fellow members, the Variety Show is a great way to collaborate. Consider forming a group act with other musicians, dancers, or performers.
- **Behind the Scenes:** Not interested in performing? You can still be a part of the show by helping with the production. From stage management to sound and lighting, there are many ways to contribute behind the scenes.

It's never too early to start planning! Think about what you'd like to perform and start preparing your act. If you need any help or have questions about how to get involved, don't hesitate to reach out to us. We're here to support you and ensure that the Variety Show is a success for everyone involved. The OVOC Variety Show is all about having fun and celebrating the talent within our community. We can't wait to see what you come up with! Showtime is July 12, 2026, 6:00 PM!

Theater

Since 1984, OVOC's theater department has been bringing the magic of live theater to our Okanogan Community. Each year, we come together as a community to produce a show that not only entertains but also showcases the incredible talent and dedication of our members.

Our spring musical is a massive undertaking that requires the collaboration of a diverse team, including performers, stage crew, sound production, pit orchestras, directors, producers, and more. Whether you're a seasoned performer, a behind-the-scenes expert, or someone looking to try something new, there's a place for you in our theater department.

This year, we're thrilled to announce that we will be producing *Annie the Musical*. It's a classic tale full of heart and hope, and we can't wait to bring it to life on stage. Performances will take place May 7-10, 2026 at the Omak PAC.

How to Get Involved

If you're interested in getting involved, whether on stage, behind the scenes, or with our pit, we encourage you to reach out to our theater representative, Eli Loftis, at eliloftis@gmail.com. It's never too early to join the team and start preparing for what promises to be an unforgettable production!

Get Involved: Join a Committee!

We recognize that not everyone may be ready to commit to a board position, but we still greatly value the time, talents, and energy our members bring to the organization. Volunteering on one of our committees is a fantastic way to contribute to the success of OVOC, support the arts in our community, and make a meaningful impact where you shine best.

Whether your skills are in organization, creativity, or hands-on work, there's a committee where your contributions will be highly appreciated. Here's a look at the various committees you can join:
